Dear Sirs,

Foreign Official Actions, Ex-WLKT Cases

We have received further copy letters reporting official actions on various cases in different countries.

Once again, we are not familiar with the applications themselves or with the prosecution history, whereas you are presumably familiar with both. We will accordingly defer detailed study of the case until we have your comments on the action and references, if any.

Accordingly, unless you wish to send your own instructions to the local attorneys, you should let us have your comments and suggestions in good time before the end of the appropriate term in each case.

The actions we refer to at this time are the following:

<u>P.M. NO.</u>	<u>Country</u>	<u>Reply due</u>	<u>R & G File No.</u>
647	Switzerland	18th November 1981	24201
649	France	4th November 1981	24204
725	France	26th October 1981	24229
813A	Japan	7th November 1981	24249

Yours faithfully,
